SOUTHERN ACCOUNTS OF THE ENGAGE-MENT OF FUIDAY. [Urom the William and Unquirer, April 1.]

GENERAL SHEPLEY MILITARY GOVERNOR OF Висимомр.—Brigadier-General G. F. Shepley having been announced as Military Governor of Richmond, issued the following order:

HEADQUARTERS MULITARY GOVERNOR OF RICHMOND, RICHMOND, VA., April 3, 1865.

PROTECTION OF THE PROULT AND PROVATE

Ans offeer or so for with or without such Ans offeer or so for with or without such the name, rank, and reducent.

Any offeer or selffer entering a private dwelling without such authority, or failing to give his name, rank, or regiment, or reporting the same incorrectly, will be liable to humediate and summary punishment.

GEO F. SHEPLEY,

Brig. Gen. U.S. V., and Mil. Gov of Richmond.

RICHMOND .- The following is from the Richmond Whig, dated April t, which has made its appearance as a Union paper since the ocenna-

Me hariesville, it was It ill who led the advat. De itse the sangulary curre ments of the following six days he particularly distinguing the definition of the terms of the particularly distinguing the definition of the particularly distinguing the definition of the particular distinct of th

RICHMOND AS IT WAS.

[From the Philadelphia Press]

Now that our gallant army is in possession of this city, where the Iniquitous plans and plots of the leaders of the great rebellion have been developed and jut in action, it will be Interesting to look back and see Richmond as it was before the war, when the shield of the Union was held over it, and its mistaken and misguided inhabitants were pursuing their avocations under the guardianship of our great and fire Government.

Great Demonstrations in Ciucianati.

New York, April 1 '.

Bonfires lit up every corner and rockets it led the sir. Cannon were fired from every public place. The demonstration continued all night. Gov. Brough has appointed the 14th instant for general thankegiving. Grand preparations are being made.

October 300, April 8.
Peserter and refusees report the evaluation of Raleigh, and that the enemy were throwing up works on Tarriver at Rock Mount, about 40 miles from here, and toward Weldon, on the Weldon and Wilmington Railroad.
The enemy are hurning bridges and ties on this road and earry log off rails. It is though four sten will go to the relief of Lee. His army is very much demoralized.

CLEVELAND, April 10.

A salute of two hundred guiss is now filling.

Do two is wild with joy. Belines is surtered and processions are in reling through the street. Breeved, April 19.

New York, April 10 -M.

Be leving that a few lines from the port of claim. The is would not be unincressing to continuous ands of readers, I hasten to jot down there is commence which it further prepininary remarks. The an words is moving in deal earnest. The an words is moving in deal earnest. The analysis of the envisor the cut of ed within its deally looks. They are in the greatest peril imaginable. With Grant in one side and the redoubtable Sherman on the other, with numerous supports in striking distance and a from the four points of the central section. It is not continuous the continuous forms of the central section of the continuous of the central section of the continuous of the central section. The can't be did, so there's the end on't,' as was said by a "blue belly" to a cruwd of kinewing ones this morning. The fellow was criticus issite, and swore in round terms that shum and Grant could whip "all creation" and sit cross-leged at that.

There is a mighty army going np the road.

how in this particular, our walk for wagon."

The Tennesseems, I mean the rebels, halloo enou, it louder and faster than any of the Contederate States. They have been deserting from the very beginning of the war. Now they come thicker and faster. There is no end to them, and "the cry is still they come!" Will the line tretch out to the crack of doom, so that there will be no end to it? I hope not, as it would be too humiliating to the Tuenessee chivalry. Tenessee has furnished (it is believed by good indices) more deserters from the rebel army the Contederacy but togeth.

Shouts of triumph over the fall of Richmo When Tennessee is about to be restored to the are yet ringing in air, and, le! the great intelfold of the old Uni u, we deerly regret that a p licy is being enforced which is calculate ligence comes that ROBERT E LEE, the most prevent harmony of sentiment and act nent rebel chieftain, at the head of the mong the people. Stringent orders have been grandest rebel army, has surrendered his sword, issued for all 1 ersons whose lovalty may be his flag, and his troops to the nation. An even: perted to give a reason, under oath, why the should not be ban' hed from Federal lines. es significant, so momentous to the peace and matters not how little they have sympath glory of the Republic, far transcends all power with the rebellion since the fall of Fort Donel of words to give expression; and, as the tidings sen, or whether they have subscribed to the no are carried from border to border, the hearts of ombatant oath, or taken the oath of a'legiance to the United States, they are not exempt from freemen everywhere will swell with deep and the requirements of the order recently issued. inspiring joy. The nation has fought and bled for peace through four long years of peril, and non a man than the fa t that he was an a tive how it comes, white-winged, at last, through mpathizer with the tebeldion in its palmi st victory. Fervently do we pray, in the noble ars. B t the order does not refer to the male condition alone. It appears to have been le ed language of Grant to Lee, that all "our difficulor the bouefit also of the weaker sea. Every woman must come forward and enterise to the cath of allegiance to the United States, and human life." new s lient can e why she should not be

C Gen. Lee is universally and justly esteet the greatest m litary leader of the South. With fearless power and brilliant skill he has directed the Army of Northern Virginia for more than three years past, and to him has been confided the rebellion's strength and life. In every quarter of the South, and, indeed, throughout the world, it has long been felt that the rebelhon would stand or fall with him. And it is in this view that we contemplate the surrender of

m nly spirit. Gen Grant, representing the great army, felt I to be his day to shift from _msell ' he responsib ity of any further eff - i h of lood, and asked the surrender of the A IN thern Virginia. Gen. Lee, his ga' It w deepe for all time the world adm'r t' n. The st anthority of the nation was
